President's Message

Here we are at the end of yet another school year. Much has happened this past year with Kentlake PTSA. This is mostly due to a hand full of volunteers who have given many hours of their time to benefit the students of Kentlake High School. A huge thanks to our entire PTSA board, both elected officers and chairpersons, for all of the time they have put in this past year. I would especially like to thank Marci Elmer, Tamera Nason and Meg Stockman who have served as elected officers and will be stepping down this year from their terms. I would also like to thank those of you who will no longer be with us next year since your youngest children will be graduating! Your service and dedication to our PTSA has been very much appreciated. We will miss you and wish you the best as you and your children move on to the next segment of your lives!

As much as we will miss those who will no longer with us next year, we are also very excited to begin fresh next year with a new board of elected officers and chairpersons. We are still looking for a few people to step into some vacant positions. Even if you'd rather not chair a committee but would like to volunteer for a few hours here and there, we would definitely be able to find a place for you. We will be in need of volunteers before the school year even begins when students come to KL for Falcon Days on August 19 and 20. If you would like to chat about the possibility of becoming a little more involved next year, please give me a call or send me an e-mail. I would love to talk to you. Thanks,

Tania Skinner
